

Reminder:

1. The photos on the catalogue are only for your reference. The real products might be slightly different from what you have been in the catalogue.
2. We will not inform you every time we adjust our design or stop producing some models in the catalogue. Please make sure that you make the final confirmation with us before order.
3. It is possible that we can produce according to your design or photos. Please let us know if you have to.

**CUSTOMIZED
SHOWER ROOM**

PRODUCTION BASE

Our company specializes in the production of shower cubicles and related products. Located in Foshan, China, we operate a 6,000 square meter factory equipped with 3 advanced production lines, achieving a monthly capacity of 4,000-5,000 units. Established in 2015, our team of 30 professionals excels in manufacturing aluminum and stainless steel shower enclosures. Our products comply with national and international standards, including GB, EN, AS, and ASTM, primarily focusing on export markets to deliver high-quality bathroom solutions globally.
