VIDAA

## The Smart OS for Smart TVs

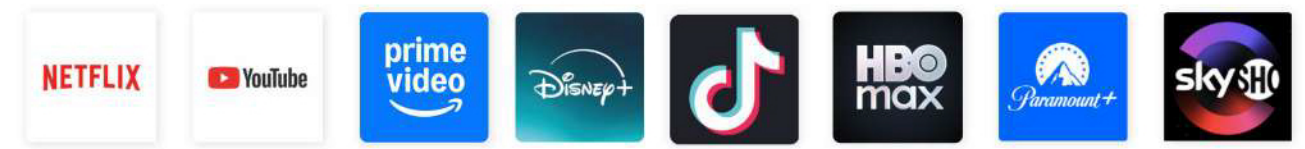

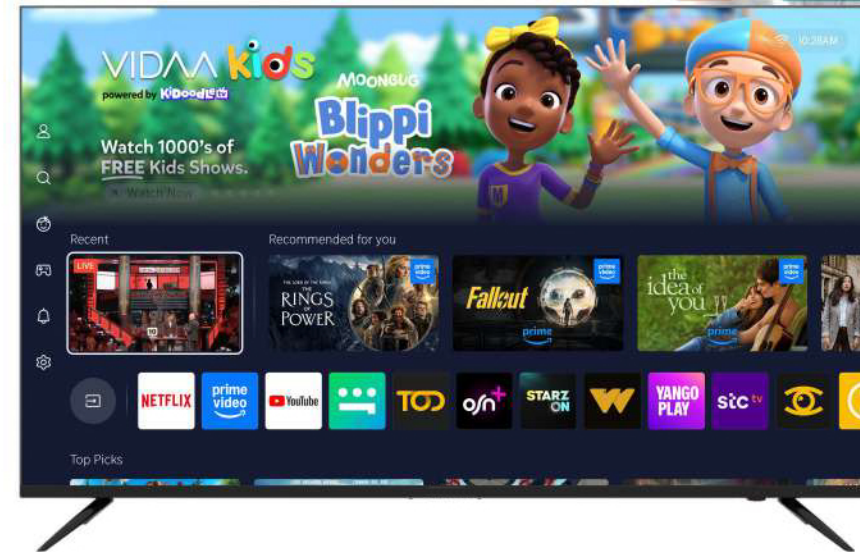

Easy. Fast. Secure.  
Global and Local Entertainment Made Simple

POWERED BY VIDAA

Works with Apple AirPlay

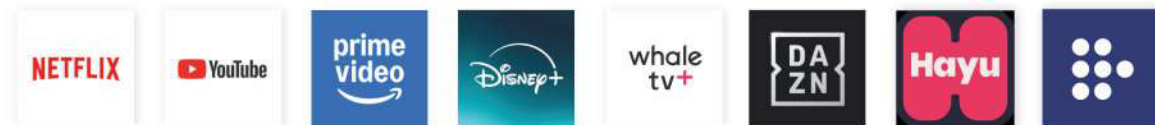

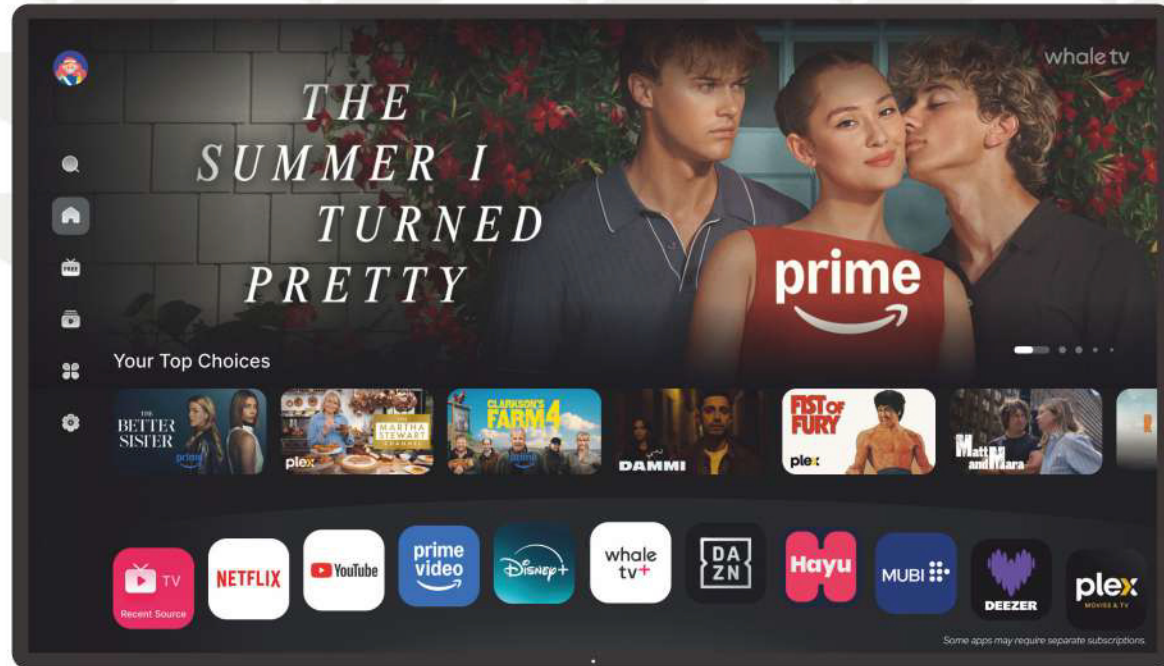

Works with Apple Home

- 01 100% CERTIFIED**  
Global and local applications
- 02 FREE CONTENT**  
in TV Channels+
- 03 CUSTOMIZATION**  
of the licensed Home launcher
- 04 HIGH PERFORMANCE**  
at affordable cost give OEM brands affordable luxury solution with Dolby Vision and Dolby Atmos support
- 05 FREE VIDAA VOICE SOLUTION**  
without any certification request and it supports 28 languages
- 06 VIDAA KIDS POWERED BY KIDODDLE.TV**  
a safe watching experience for youngest viewers
- 07 SCREEN SHARE SUPPORT**  
Apple Air Play 2, and Screen Share (Android Miracast) are supported
- 08 SUSTAINABLE AND RELIABLE**  
supply chain services, provided by VIDAA licensed partners

# TV SOLUTION SERIES

**whale tv**  
Smart & Simple

With Whale TV every person in the household gets their own home screen and recommendations tailored to their taste. Download loads of apps from our app store including Netflix, Prime Video, Disney+ and YouTube. And watch endless free TV on Whale TV+. Welcome to a more personal TV.

# Better TV for Everyone

## Personalized TV for You

Personal home screen and recommendations

## Seamless Discovery

Universal search lets you find new entertainment across all channels

## Control Your Way

Control your TV with your remote, voice or the Whale TV app

## Endless Entertainment

Loads of free and paid streaming apps, plus free TV on Whale TV+

## AI-Powered Recommendations

Whale AI Voice helps you find entertainment

## Free OS Updates

Regular, automatic OS updates for a seamless viewing experience

# whale tv+

Whale TV+ lets you stream 1000s of hours of free TV – live or on demand. Whether you love sports, music, lifestyle, food, or even K-content, you'll always find something great to watch on Whale TV+.

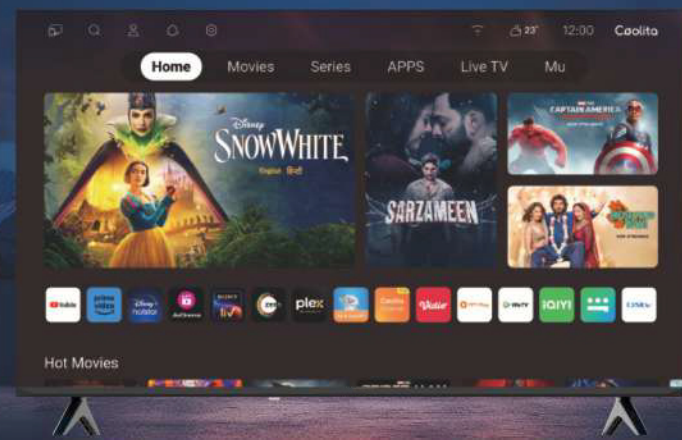

- Stream 1000s of hours of free TV – live or on demand
- Watch free shows, movies, news, sports, music videos and more
- Surf through Live TV channels and find something great to watch
- Discover hit movies and popular TV series in on-demand library
- Stream all you want with no sign-up or payment required

# TV SOLUTION SERIES

## Coolita

Coolita is a compacted and flexible smart TV OS based on Linux, leveraging industry-leading AI technology and continuous service innovation to provide top-quality audiovisual content and service experiences globally.

**Lightweight**   **Self-Developed**   **AI-Powered**

### Expert Solutions

- Extreme cost-performed 2K & 4K solutions
- Stable and smooth system experience
- Customized UI services

### Massive Entertainment

- 500+ officially authorized APPs
- 1000+ free live channels

### Innovative AI Features

- TV chatbot CooAI
- AI remote control APP CooLink

### Exceptional Experience

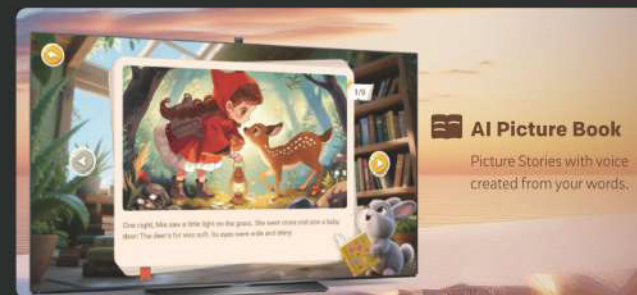

- Convenient multi-screen interaction
- Karaoke at home

Coolita  
An AI OS

### CooAI

An AI agent on TV.

\*Supports 77 global languages, including English, Spanish, French, German, Arabic, Chinese, and more.
